www.RadioEye.org

A 24/7 radio broadcast of
newspapers, magazines, and
current information for visually
and physically disabled people
in Kentucky and Southern
Indiana.

WHO BENEFITS?

- Anyone blind or legally blind
- Anyone who is visually impaired
- People with physical disabilities
- Elderly individuals who are unable to read because of the aging process.
- Anyone with a condition that makes reading impossible or difficult.
- People in hospitals or nursing homes
- And others, depending on their circumstance

WHAT IS RADIO EYE?

Radio Eye is a nonprofit Radio Reading service for those who are unable to access the printed word. We broadcast the reading of current newspapers, magazines, health materials, and more—offering greater independent living to people who are blind, visually impaired, or physically handicapped. Our service is provided at no cost to the listener!
